Build The Model That's Right For You.

Skill Level

In addition to the extraordinary variety of Revell model kits to choose from, each retail package is coded according to the level of skill required for assembly. These helpful guidelines ensure that everyone can select a kit that best fits their modeling ability. Whether it's Skill 1, SnapTite® or Skill 2 or 3, each of our kits meets the same high standards of detail and quality we're known for.

Paint Guide

Each of our kits includes a printed paint guide on the outside of each retail package. There's no need to open the box to find out what paints are recommended to match the model shown on the box.

“Memorable Kits In Their Original Box”

From out of the past come some of the best kits you remember.

Revell® Preferred Partners receive the new releases of Revell and Monogram Model kits earlier than other retailers. RPP locations have a special display of the latest plastic models. And you can pick up advance order forms located on the display to pre-book orders! Visit revell.com for the RPP dealer locator and find the location nearest you.

Retailers: Improve exposure and increase sales of your plastic models! If you are interested in becoming a Revell Preferred Partner, please contact (888)598-8226 or email customerservice@revell.com.

We make it convenient for you to receive news of the latest Revell new product releases! Sign up for Revellations e-newsletter today and get notifications right to your email inbox! Go to revell.com and click on the Revellations banner on the home page to subscribe.

Want to host a model-making event for schools, scouts, birthdays or other events? Host a Make 'n Take™ model-making event and get in on the fun. Building model kits is a hobby kids can enjoy for a lifetime. It's fun, creative, and constructive!

The program is simple: Revell offers a carton containing 25 SnapTite model kits at a very low cost, all the same so all the participants are working on the same project. No glue or painting is needed! Choose between a car or an aircraft kit. The kits are either SnapTite® Skill Level 1 or SnapTite® Build & Play. Carton contents also include a promotional poster and an event planning guide to help make your event a big success. (Contents of carton vary slightly depending on the type of kit.)

Fast shipping time, usually in a day.
Kids will be proud to say “I Made That!”.
