

MINI ALLIGATOR TOURS™

Ready-to-Run Electric Airboat

REALISTIC AND READY FOR ACTION, ANYTIME AND ANYWHERE!

The perfect size for ponds, lakes and grab 'n go fun!

With the Mini Alligator Tours Airboat, the fun happens fast. There's nothing to build or buy*, so you can be on the water just minutes after you open the box. It's a boat that almost anyone can drive — and it's just as affordable as it is fun to run!

* Except 8 "AA" batteries.

- **Runs up to 10 minutes on a fully charged pack!**
- **Broad, flat ABS hull ensures trouble-free running even in shallow water.**
- **Injection-molded cage protects the pilot and a powerful 380 motor.**
- **Twin air rudders turn prop thrust into quick, powerful steering.**
- **Factory-finished and realistically modeled, from molded side rails to the elevated pilot seat!**
- **Magnetic battery hatch holds securely, but releases quickly for pack changes.**
- **Short, direct servo-rudder link is factory-installed and adjustable for fine tuning.**

The Mini Alligator Tours package Includes:

- **Assembled Mini Alligator Tours airboat**
- **AquaCraft 2-channel radio system**
- **6-Cell, 1100mAh NiMH battery & 12V field charger**
