

MINI THUNDER™

Ready-to-Run EP Round Nose Hydroplane

STIR UP THE POND!

Mention the term “Thunder Boat” and the image of a round nose hydroplane skimming across the water comes to mind — and the Mini Thunder brings that image to life! The Mini Thunder is ready for action right now, and so easy to drive anyone can enjoy the excitement of racing. With its compact size, the Mini Thunder doesn’t need a large body of water to deliver fun and excitement!

- **Durable, lightweight ABS construction**
- **380 water-cooled motor**
- **2-channel FM radio system**
- **Waterproof ESC and receiver**
- **7.2V 1100mAh 6-cell NiMH battery pack w/12V field charger**
