

# **SUPERVEE<sup>™</sup> 27R**

Ready-To-Run Brushless Offshore Superboat **2.4GHz**

## **REFINED RACING PERFORMANCE**

It's the complete package in a ready-to-run offshore racer! The SuperVee 27R's sleek deep vee profile promises exhilarating speeds, and that promise is kept by a powerful, water-cooled brushless motor. A state-of-the-art 2.4GHz radio system delivers precise, interference-free control, and the innovative GrimRacer hardware that's included is a high-performance bonus!
