

Revolt™ 30

Brushless FE Mono

Revolution on the water!

It doesn't just LOOK fast — it IS fast! The Revolt 30 has a sleek, mono hull design that slices through the water, and a brushless power system that puts you out in front. When it comes to performance parts, this boat is loaded with genuine GrimRacer™ accessories, and you can choose between the Performance-Ready 2.4GHz version and one that's ready to accept your choice of transmitter and receiver. And both models are available in 4 hot trim schemes!

- A true FE (Fast Electric) mono hull design
- Water-cooled 6-pole 1800kV brushless motor
- 60A brushless controller w/4 mm bullet connectors and Deans® Ultra Plugs®
- High performance GrimRacer™ hardware package and metal propeller

Deans® and Ultra Plug® are registered trademarks of W.S. Deans Co. U.S. Patent No. 5,533,915.
