

# Miss VEGAS™ Deuce

Competition-Ready .18-Size Hydroplane

## Gets you into the race fast!

Like AquaCraft's popular Miss Vegas, the Miss Vegas Deuce brings the excitement of full-scale unlimited hydroplane racing to your nearest lake or pond. The "Deuce" doesn't come second to any other ready-to-run nitro boat. It's loaded with top-of-the-line equipment to meet two goals — getting you race-ready fast and delivering sensational speed and style!

- **Tactic™ TTX240 2.4GHz Radio System** — Mike "Grimracer" Zaborowski's choice in the 2009 World Tunnel Hull Championships...where he won the FE Tunnel Class!
- **SuperTigre® .18 Marine Engine** — Water-cooled, with a tuned Q-18 Quiet Pipe included to reduce noise and boost power for faster runs.
- **Super Start™ Engine Starter** — Handheld unit quickly starts your SuperTigre engine using 12V DC input. Long, 6-foot cord with alligator clips included.
- **Fiberglass Hull** — Refined by AquaCraft's own USA design team for extra-fast performance! Assembled and finished, with easy-to-apply decals provided.

### Also features:

- Durable, water-resistant radio box
- Large fuel tank
- Water-cooled engine and exhaust header
- Grooved engine flywheel for optional belt starting
- GrimRacer™ Performance Hardware
- Tools and boat stand
