

MINI THUNDER

Ready-to-Run Round Nose Hydroplane

Now includes a
Tactic TTX300
2.4GHz Radio!

Stir up wake on the lake

The Mini Thunder packs the bold looks and flashing speeds of full-size thunder boats into just seventeen inches of fast-moving model. Fully assembled and completely equipped, it's ready for action right out of the box, and so easy to operate that any beginner can start enjoying thunder-boat thrills almost immediately. Perfect for ponds and lakes, it's equipped with a TTX300 2.4GHz radio that offers dependable, interference-free control whether you're boating alone or racing with your friends.

The Mini Rio includes:

- Finished and assembled ABS hull w/realistic cockpit detail and mini wedge rudders
- Factory-installed power system including:
 - Powerful 380-size water-cooled motor
 - Micro Wire drive system
 - Waterproof Rx/ESC unit with automatic linking
- Tactic TTX300 3-channel 2.4GHz SLT radio with mini steering servo
- 6-cell, 1100mAh NiMH battery with standard plug
- 12V DC charger
- 30 mm FRP prop
- Display/work stand
