

1/72 Fletcher-Class Destroyer ARR

Big, bold, beautiful— just like the originals.

AquaCraft honors the valor of the original “Tin Can Sailors” with this remote controlled 1/72 scale replica of a Fletcher-class Destroyer. Over five feet in length, this model is massive and incredibly detailed from the tops of the stacks to the twin counter-rotating propellers. Plus, you can actually sail it! The model arrives nearly ready to go, pre-painted and mostly pre-assembled. Put it on the included wooden display stand for an instant collection centerpiece or go the extra mile like a true Tin Canner; drop in your electronics and batteries, fire up the included motors, and sail it around the local lake!

- Pre-painted and detailed fiberglass hull
- Five, detailed main 5-inch gun turrets
- Two, intricate 5-tube torpedo launchers
- Four depth charge launchers
- Many 40mm and 20mm anti-aircraft mounts
- Finely-rendered railings, ladders, radar mast and more
- Custom wooden display stand
- Solid shaft drives
- Counter rotating propellers
- One hour run times with recommended electronics

AQUB5705
