

BRISTOL TRAWLER

Ready-to-Run R/C Electric Fishing Boat

A first-class catch.

Factory assembled and detailed, the Bristol Trawler is fully rigged and authentic from the mast lights to the wood-look deck and on to the fish crib. Add the recommended battery and "AA" batteries, and you can cruise for up to an hour at a time. And with the stutter-bump feature on the ESC, you'll always know when it's time to recharge.

- Painted fiberglass hull with cabin, trawling booms, rigging, masts, fish crib and working LED lights.
- Tactic TTX491 4-channel 2.4GHz SLT radio with TR625 twin antenna receiver and TSX35 servo.
- Factory-installed, direct drive power system including a 550-size motor and 3-bladed brass propeller.
- 30A brushed/brushless LiPo-ready ESC with stutter-bump feature, plus Star Plug, 3.5 mm bullet motor and universal radio connectors.
- Display/work stand.
