WASTELAND

Ready-to-Run 1/18 Scale 4WD Truck & Buggy

Ready. Aim. Launch!

With Wasteland vehicles, it's easy to win the war against boredom. They're fast, tough off-road vehicles, built to survive intense action outdoors or obstacle courses indoor. But what makes the Wasteland Truck and Buggy different from all other 1/18 scale off-roaders is a foam dart launcher.

Push the launch button with your thumb and your dart can hit targets up to 30 feet away. It's great for target practice, but even better for staging fast-paced mock battles with friends. If you launch a dart and miss, reload and try again. If you score a hit, nobody gets hurt and everyone has fun.

- Fully assembled vehicle with a spring-operated dart launcher and 3 foam darts
- Tough, factory-painted and decaled truck body
- Factory-installed M370 motor, Rx/ESC, steering servo and launch servo
- D103 3-channel 2.4GHz radio system with trims, dual rates and servo reversing
- 6-cell 1300mAh NiMH battery
- 110-240V AC fast charger
- 4 "AA" alkaline batteries

Plus these high-end performance extras:

- Tough, shaft-driven 4WD
- Gear differentials
- Big Bore oil shocks
- Mounted, high-traction tires with foam inserts
- Big front and rear bumpers
- Full bearings
- Adjustable suspension
- Hop up parts

DIDC0061 Wasteland Truck
