R/C's best buy in gas power!

Finding an engine with the right power is easy. Finding one that offers you more than the DLE-40 Twin? That's next to impossible.

The DLE-40 offers the smooth, long-lasting power of an opposed twin and incredible value. Features that are extras on other engines — such as electronic ignition, mufflers, mounts and more — are standard equipment on DLE engines.

Performance, plus — that's what you can expect from all DLE Engines.
