

Balanced LiPo Battery Packs

**True Rated
never inflated!**

POWER AND CAPACITY YOU CAN COUNT ON.

For drivers who want the most run time and performance for the money, Onyx LiPos are the natural choice. They're true rated to make sure that what you see on the label is what you get on the track. And they're also great values for racing, sport, RTR upgrades and more.

All packs include a discharge lead and connector, but your choices include 2S and 3S packs, 25C and 35C discharge rates as well as soft and hard case versions. Versions are available with the Star Plug, as well as with Traxxas® and Deans® Ultra Plug® connectors. Versions are available with the Star Plug or a Traxxas® connector.
