READY-TO-RUN 1/5 SCALE BRUSHLESS ELECTRIC MOTORCYCLE

DX450

Off-road tough — on-road fast!

With the DX450, you can be on-throttle and movin' fast, even if you've never driven an R/C cycle before. You don't need experience because the DX450's gyro system takes care of balancing and stabilizing the bike. And you can start racing almost immediately, because the DX450 arrives assembled and packed with performance. Choose the color you like, drop in a battery pack and the other drivers can color you *gone!*

- Ready to run on dirt, pavement, grass or gravel!
- Innovative flywheel gyro provides balanced, low-speed cornering and solid, high-speed handling.
- The Tactic™ 2.4GHz radio means no interference, no crystals…and no waiting!
- Brushless motor delivers high speeds and tremendous torque with virtually no maintenance!
- Available in 4 hot colors!
