READY-TO-RUN 1/8 SCALE NITRO 4WD BUGGY

TOUGH AS NAILS. LOADED WITH EXTRAS.

Once you have some experience under your belt, you look for something that can take you to the next level. If that's where you are, you don't need to look any farther than the 835B. And whether you're talking about going-in price, performance or value, the 835B can deliver big.

That's because it has so much going for it: impressive, 1/8 scale size; 4WD for balanced handling and power; raw nitro power; a double-handful of race-inspired features and tuning options, and a durable design that soaks up use and abuse like a 4-wheeled sponge.
