

# Überlites™

fly anywhere — in a snap!

Überlites is a revolutionary concept in ready-to-fly R/C. For an amazingly low price, you get two planes to fly — each with distinct performance characteristics to enjoy indoors or outside in calm winds. The included motor, onboard radio gear and LiPo battery are combined into one modular unit that can be moved between airframes with a “snap”.

## Complete 2-in-1 RTF set includes:

- *One flight module*
- *Two assembled foam airframes*
- *2.4GHz radio with battery charger*
- *LiPo flight battery*
- *Four “AA” batteries*

## Easy Snap-n-Fly™ Technology

Snap on the flight module, charge the battery and fly!
