

FlightPower™

Quite simply, the
#1 LiPo battery
line in the world!

More power for practice and sport!

FP30 packs are a big step up in sport performance for a surprisingly small increase in price. Like FP25 packs, they're great, long-lasting options for sport flying and practice and available in a wide range of capacities. Also available: FP25 packs for sport flying and pre-event practice, FP50 and FP70 packs for competition and 3D, plus FPRX packs for consistently dependable receiver performance.

Discharge Rates: 30C continuous/60C burst

Maximum Recommended Charge Rate: 3C

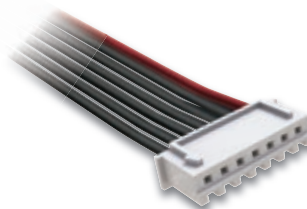

Leads: multi-strand wire w/silicone insulation.

Connectors: JST XH balancing (all)

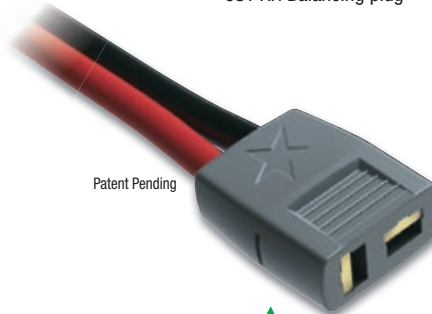

Micro plug (FPWP3042 & 3043)

Star Plug (FPWP3083-3506)

- Created for premium power and like-new performance after 100, 200, 300 or more cycles!
- Color-coded labels make it easy to identify pack series at a glance.
- New connectors — All FP30 packs now feature the popular JST XH balancing plug — and most also feature the new high-efficiency Star Plug.
- New ultrasonically welded cell tabs and balancing leads for superior strength and dependability.

JST XH Balancing plug
