

ULTRA SPORT 46

Almost-Ready-to-Fly 46/GP Sport Aerobatic Airplane

A classic aerobatic performer.

For years the Ultra Sport has been the epitome of what a sport aerobatic airplane should be: quality construction, versatile performance and contemporary style. The 4th iteration of the Ultra Sport incorporates the most up-to-date features, resulting in an Almost-Ready-to-Fly model that sport pilots and veterans alike will enjoy.

- Flies well with glow OR electric power.
- Included mechanical retracts enhance performance and style.
- Large hatch for easy access to on-board gear and battery.
- The symmetrical airfoil offers a wider aerobatic range.
