

# Your next great flying adventure.

## G-44 Widgeon

Almost Ready-to-Fly EP Seaplane

Pilot figure shown is not included.

When you're ready to explore new sport flying frontiers, think water — and the ElectriFly G-44 Widgeon seaplane. Just as full-scale Widgeons carry sportsmen to remote hunting and fishing locales, this ARF is the perfect escort to your next great R/C adventure!

- **Delivers strong flight performance, including basic aerobatics, while offering unique flying site options.**
- **Fuselage hull includes strakes and optimized step placement for smooth, predictable takeoffs and easy handling on water.**
- **Features a painted fiberglass fuselage and built-up, MonoKote®-covered wing and tail.**
- **Comes with hinged ailerons, painted and trimmed nacelles and floats, and installed clear windows.**

**GPMA1151**
