

ESCAPADE™ MX

Almost Ready-to-Fly .46-.55/EP Sport Plane

Break free from the everyday.

The Escapade MX combines classic sport engineering with the creature comforts you've come to expect from Great Planes. It builds fast, and it flies even faster. It uses commonplace components, and the trim scheme is as eye-catching as it is unique. Throw in the option to choose between glow and electric power, and you have a sport plane that's a break from the everyday!

- Fast, easy glue-free assembly.
- Choose glow or electric power.
- Two-piece wing simplifies assembly and transport.
