

# CURTISS P-6E HAWK

Almost Ready-To-Fly Glow/Gas Sport Biplane

The one, the only...and only for a limited time!

EXPERTLY COVERED WITH  
Futaba®  
**MONOKOTE**

**IMAA**  
**LEGAL**

The Curtiss P-6E Hawk was one of the most beautiful biplanes ever created and one of the last biplane fighters ever built. Now, thanks to a limited production run, you can own the only ARF version of the P-6E ever created... and be one of the lucky few to enjoy its graceful lines, vibrant colors and easy, big-plane performance at the flying field.

- Looks like months of work, but assembles in about 15-20 hours!
- Reproduces the original's sleek outline and trademark trim scheme with painted fiberglass parts and seven bold MonoKote® colors.
- Holds the eye with authentic details that include everything from hawk and number decals to exhaust stacks, machine guns and a painted pilot figure!
- A stable, predictable performer anywhere in the air, whether powered by a 2- or 4-stroke glow engine or an economical gas power plant!

## GPMA1219

**Top Wingspan:** 76 in (1930 mm)

**Bottom Wingspan:** 63 in (1600 mm)

**Wing Area:** 1441 in<sup>2</sup> (92.9 dm<sup>2</sup>)

**Weight:** 13-14 lb (5.89-6.35 kg)

**Wing Loading:** 21-22 oz/ft<sup>2</sup> (63-68 g/dm<sup>2</sup>)
