

America's Air Show Favorite As A Fast-Assembling ARF!

CHRISTEN EAGLE 46

Almost Ready-to-Fly .46-.72/EP Biplane

Like the hot rod, the Christen Eagle is an all-American creation. The original unlimited-class aerobat was an experimental homebuilt, but this ARF offers the same adrenaline-charged aerobatics with the assembly ease Great Planes is famous for.

- Recreates the trademark "Eagle" trim scheme in MonoKote® colors!
- Great with a glow engine or brushless power!
- Innovative interplane struts simplify and speed assembly and teardown.
- Includes installed, painted pilot figure.

The Christen Eagle name is used by Hobbico®, Inc. under license from Aviat Aircraft, Inc.

Stock Number: GPMA1431

Top Wingspan: 42.5 in (1080 mm)

Bottom Wingspan: 40 in (1015 mm)

Wing Area: 441 in² (28.4 dm²)

Weight: 5.75-6.25 lb (2610-2830 g)

Wing Loading: 30-33 oz/ft² (92-101 g/dm²)

Length: 39.5 in (1005 mm)

Requires: radio with a minimum of 4 channels, 2-3 standard and 2-4 micro servos & a 2-stroke .46-.55 or 4-stroke .70-.72 glow engine or a 42-60-480 outrunner brushless motor, 60A brushless ESC (min), two 11.1V, 3350mAh LiPo batteries & 13x10 EP propeller

Product Recommendations:

Please note: all recommendations were the best choices available at the time of product release. For additional choices, please check with your dealer or on the Great Planes Web site.

FUTK6900	Futaba® FASST™ 6EX 6-Channel Computer Radio
FUTM0004	(2) Futaba S3004 Standard Ball Bearing Servos (3 if using glow power)
