

Gentle Lady™ ARF

Perfect company for a lazy afternoon.

If “easy” and “relaxing” figure heavily into your weekend plans, the Gentle Lady can’t be beat.

Open the box, and you’re already in final assembly. With MonoKote® film already applied, all you need to do is complete assembly and install your radio gear. And at the field, the Gentle Lady lives up to her name with docile, easy handling and a forgiving nature.

- Strong, lightweight balsa/ply airframe
- Factory-covered in Top Flite® MonoKote®
- Great for practicing spot landings — or afternoons of easy thermaling.
- Includes a generous package of Great Planes hardware.
