The 22.5" span F-20 Tigershark EDF Jet Rx-R from ElectriFly offers the fast speeds and aggressive lines modelers expect, plus receiver-ready convenience. You can be reaching speeds of 85 miles per hour or more in less time than it takes to charge a battery. It comes with a HyperFlowTM ducted fan unit, a powerful ElectriFly AmmoTM inrunner brushless motor, an ElectriFly Silver Series 45A brushless ESC and 3 micro servos installed. Just add your favorite radio and battery!

GPMA6010

Wingspan: 22.5 in (570 mm)
