

FLY IN HIGH STYLE

The Cessna 350 Corvalis marks the cutting edge of contemporary single-engine aircraft design. This licensed "Select Scale" model captures the original's style in detail, adding the finest technology that R/C has to offer for outstanding looks, power and performance.

- Fast, simple assembly — only a pliers and Phillips screwdriver needed.
- Enjoy scale-like flight performance and the ability to slow for landing using the included flaps.
- Bright navigation and landing LEDs add realism and low-light visibility.
- Tricycle landing gear with shock-absorbing steerable nosewheel.

HCAA2534

Wingspan: 57 in (1450 mm)
