

albatros

Be a backyard ace!

After opening the box, the only thing you have to do is figure how you want to enjoy up to 10 minutes of air time.

There's little finishing to do, and absolutely nothing to buy; even the five "AA" batteries for the radio are included. Charge the included LiPo pack and you're ready to patrol the skies!

- 100% complete — ready for takeoff in minutes!
- flies for up to 10 minutes — and recharges from the radio.
- smooth, easy 3-channel control
- secure 2.4GHz Tactic™ radio system and high-quality electronics
