

LiFe Source™

AC/DC BALANCING CHARGER

Simple efficiency, affordably priced.

It's LiFe (Lithium-Iron-Phosphate) charging as it should be: fast, easy and economical. Choose a charge rate, connect a 1-3 cell pack — and you're done until it signals "charge complete!"

- Balances cells to ensure maximum charging without overcharging!
- Includes a built-in AC power supply for easy at-home charging and alligator clips for simple DC charging at the field.
- Features switch-selectable charge rates, auto-start and light/sound cues for alerts and updates.
- Protected by a durable, impact-resistant case and a full, 5-year limited warranty!*
- Comes with a Star Plug, universal radio jack, JST XH 3S balancing plug and 2S adapter.

* Valid only in the United States & Canada.

Balancing ensures that each cell charges to its maximum voltage and capacity. Solid construction and safety features ensure that your investment will pay off for a long time to come.

SPECIFICATIONS

AC input: 110V AC 60Hz, (18W max.)

DC input: 11-15V DC (40W max.)

Battery types: 3.3-9.9V (1-3S) LiFe packs

Battery capacity range: 200-5000mAh

Fast charge start: auto-start at hookup

Fast charge current: 0.5, 2.5 & 4.0A (AC limit: 2.5A/15W)

Fast charge termination: cc/cv

Fast charge safety timer: 90 minutes

Balancing accuracy: 8mV per cell

Protective devices: Solid-state reverse polarity & current overload

Dimensions: 4.1 x 3.5 x 1.1 in (104 x 90 x 29 mm)

Weight: 9.2 oz (260 g)

Stock #: HCAM6375
