

COMANCHE

Ready-to-Fly Micro Electric R/C Helicopter

CX

***Fly it now™ —
No experience necessary!***

Command covert ops in the comfort of your living room with the compact Comanche CX. Inspired by the famous U.S. Army prototype, it's the heli that's ready for action – right out of the box! Counter-rotating blades make it stable and easy for beginners to fly, while their pivoting design makes them extra-forgiving in case of a crash.

- **4-channel heli radio system**
- **500mAh LiPo battery for 10+ minute flight times**
- **A/C wall charger**
- **Scale military fuselage**
- **Durable, repairable construction**

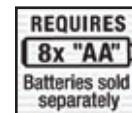

HMXE14**
