

# 15LA ABN WITH MUFFLER

The natural choice  
for affordable sport power

The compact 15LA sport engine features quality ABN construction, a rear-mounted speed needle, and a tall, squared heat sink for better cooling and longer engine life. It's designed to withstand hard, hot runs and to deliver top performance in an easy to maintain engine.

## OSMG0016

**Displacement:** 2.49 cc (0.1517 cu. in.)
