### Performance tires designed with the basher in mind.

Duratrax's newest tire offerings are sure to appeal to off-roaders and sport drivers alike! The tires are made from soft C2 compound for superior traction and durability, and are pre-mounted and glued onto 2.8" rims, with foam inserts included. The stylish wheels come in black or chrome with attractive contrasting screws. With several

tread patterns to choose from — including some that are new — there's sure to be a Duratrax tire for most any off-road surface, including grass, mud, dirt, gravel and clay. Tires are available for front or rear mounting applications, and are an ideal upgrade for popular 2WD and 4WD R/C trucks from Traxxas®, HPI® and ARRMA.

#### FEATURES:

- New tread designs, for both front and rear
- 2.8" rims, pre-mounted and glued with foam inserts
- Sharp-looking wheels in black or chrome, with color-contrasting screws
- All tires come in soft C2 compound
- Offset versions are available
