

PRESS RELEASE

Li-24 2S-4S Balancing Charger

An incredible value in a balancing charger

The Li-24 charger's features alone make this a "must-have" accessory — and its budget-friendly price is the icing on the cake! Modelers get all of this functionality in a compact unit that fits easily in a field bag or on a workbench. Plus, the Li-24's versatility extends beyond R/C cars and trucks!
