

Soldering Accessories

CLEANING WIRE

FEATURES:

- Effectively cleans any soldering iron tip without a damp sponge
- Comes with a convenient holder

DELUXE IRON HOLDER

FEATURES:

- Securely holds any soldering iron
- The base holds a sponge for cleaning the tip

Convenient tools for any soldering job

Cleaning Wire offers a neater alternative for cleaning soldering tips than a damp sponge, while the Deluxe Iron Holder provides a safe and handy place for a soldering iron while in use and between jobs.

Available: Late April

Stock Number	Description	Advertised Price
