Vinyl Masking Tape

THE accessory for professional-looking paint results!

As a complement to their high-quality line of paints for polycarbonate R/C car bodies, Duratrax introduces Vinyl Masking Tape in 36' rolls in four different widths: 1/16", 1/8", 1/4" and 1/2". Modelers wanting to create trim schemes from simple to elaborate will find this special tape an essential part of their painting supplies inventory.

FEATURES:

- Ideal for achieving crisp paint lines
- Conforms easily to compound curves
- Available in four popular widths

Available: Now
