# SENTON 6S BLX

Ready-To-Run 1/10 Scale 4WD Brushless Short Course Truck

**Length:** 22.0 in (560 mm)  
**Width:** 11.6 in (295 mm)  
**Height:** 7.67 (195 mm)  
**Wheelbase:** 12.5-12.67 in (318-322 mm)  
**Weight:** 6.6 lbs (2.993 kg)  
**Requires:** 4-6 Cell LiPo, charger and AA batteries

## All-out short course speed, handling and performance!

Short course trucks are among the most exciting vehicles in all of R/C — high-performance models battling it out in close-quarters in the turns and dueling fender-to-fender down the straightaways — and ARRMA has the short course truck that can take it as well as dish it out!

The SENTON 6S BLX is a brushless beast that can bash with the best of them. It stands up to the most extreme racing action right out of the box, and can reach speeds of 60+ mph when equipped with a 6S LiPo battery. With its ARRMA pedigree, the SENTON 6S BLX is designed to be one tough truck!
