Ty Tessmann's ROAR-winning champion – made 4 times smaller

Innovative Hot Bodies engineering lets you drive Ty Tessmann's ROAR-winning D8T anywhere! Racers of all ages will love this easy-to-control 2WD truggy, which features an all-new body, rear wing, wing mount and tough internal roll cage. All the details you love from Ty's D8T are here, from the low-profile racing tires and dish wheels to the body's distinctive trim scheme and Hot Bodies/HPI Racing logos. Use the radio's proportional Real Steer feature to keep you on track – or flip the switch to perform mind-boggling stunts!
