RS4 SPORT 3 DRIFT

**Ready-To-Run 1/10 Scale
4WD EP w/Subaru BRZ
Body**

The best way to get sideways.

Length: 16.9 in (430 mm)
Width: 7.4 in (190 mm)
Wheelbase: 10 in (255 mm)

Sliding into the turns is exciting stuff — and even more so with the RS4 Sport 3 drift racer! Hard compound tires make it easy to get sideways, and they're mounted on licensed silver-colored Yoshihara wheels that complement the sleek Subaru BRZ body. The enclosed 4WD shaft drivetrain and waterproof electronics let modelers drive with confidence; all-in-one package convenience means there's nothing left to buy. Experience drifting at its finest with the cutting-edge technology of RS4 Sport engineering!
