

DRONEVIEW™

Wi-Fi® HD FPV Mini Camera

Shown actual size

Shoot and view real-time action from anywhere!

The DroneView is the mini-sized camera for any and all R/Cers, hobbyists or action video enthusiasts! It's small and lightweight, so you can attach it to your bike, board or virtually any R/C model – and it's First Person View-capable with the free DroneView app. Enjoy exciting videos and still shots, all at an affordable price.

Features:

- Shoot 720p HD video and still photos
- Download or stream content via Wi-Fi with the free DroneView app
- Use the included receiver extension for an optional remote function

Includes:

- DroneView camera
- 4GB micro memory card
- Power battery module
- USB charge cord
- Remote receiver extension

Compatible with Android and iOS devices.

Look for DroneView mobile app coming soon to Google Play and App Store!
