

AquaCraft Cajun Commander Captures “Readers’ Choice” Award

Baden-Baden, Germany-Exciting news from across the pond: international readers have chosen the AquaCraft Cajun Commander as 2015’s “Speedboat of the Year!”

The best-selling R/C airboat was honored by the modeling magazine Modellwerft on May 20, at the 2016 Model Awards in Baden-Baden, Germany.

The event, which was held at Baden Airport’s Hanger 210, was also a celebration of the 70th anniversary of Modellwerft’s publisher, VTH Publishing.

As for the Cajun Commander, its unbeatable combination of superior scale details, a high-performance ABS hull, incredible stability and lightning-fast brushless power have made it a hit from day one. It’s no wonder Modellwerft readers selected it as the 2015 “Speedboat of the Year.”

Further information on the Cajun Commander visit the AquaCraft website.
