

PRESS RELEASE

RS4 Sport 3 Vaughn Gittin Jr. Mustang Spec 5 4WD RTR

Race Vaughn Gittin Jr.'s dynamite demo car

Want to take Vaughn Gittin Jr.'s 2015 Ford Mustang Spec 5 out for a spin? Now you can, with the latest HPI RS4 Sport 3 model!

It's ready-to-run and impressively equipped, with a powerful Fireball 15T motor and waterproof SC-3SWP2 ESC for optimal performance. The drivetrain is fully enclosed to protect the gears and belts from havoc-wreaking rocks and dirt in your fastest races. An adjustable battery box allows you to optimize traction and steering to your satisfaction. The licensed body is painted in Vaughn Gittin Jr.'s signature colors, with neon green rims that are guaranteed to stand out at any track.

Best of all, HPI has plenty of hop-ups available (including universal dogbones, aluminum shocks and carbon fiber shock towers) so you can customize to your heart's content!
