21XZ-B Speed Spec II Gold Edition Engine

Go for the gold with these limited-time power plants!

The 21XZ-B Speed Spec II has set the gold standard of 1/8 scale racing engines. Now, it's available in a special Gold Edition to commemorate O.S.'s 80th anniversary. A gleaming gold cylinder head and carb insert makes it extra-attractive for collectors, while the legendary O.S. performance makes it a must for high-octane racing! View details at: osengines.com.
