

O.S. Engine Speed B2101 Las Vegas Edition

A limited-run version of the IFMAR Worlds-winning icon!

It's O.S.'s 80th anniversary and we're honoring our IFMAR Worlds-winning heritage with the Speed B2101 Las Vegas Edition.

This unique version of 1/8 scale racing's most iconic power plant sports five stars and stripes on its cylinder head—each one representing an O.S. IFMAR Worlds victory.

In addition to the distinctive design, the Speed B2101 Las Vegas Edition features the original's trophy-winning performance, with predictable handling and stability as the original, which has been trusted by champions all over the world.

Like all O.S. engines, the Speed B2101 Las Vegas Edition is designed and manufactured with the highest-quality materials, matched by the industry's premier standards. Celebrate the IFMAR Worlds Championship's return to the U.S. with this exciting engine. Supplies are extremely limited. See details on this and other limited edition releases at osengines.com.
