

PRESS RELEASE

Come Fly with Us

Welcome to RISE, the very newest offering from the innovation team at Hobbico. We love to fly, and we know you do too. That is why every RISE product is designed to fly better, shoot sharper, and race harder.

Rise up.

Fly FAST

Race and train at the absolute edge

Stripped down, light, and made from high-impact foam and carbon fiber, the RISE RXD250 lets you cut in close to every obstacle and find the craziest, scariest route on the course. Go ahead and push it. The RXD250 is designed to withstand a crash—and to go fast.

- Pre-built extreme durability racer
- Premium foam/carbon composite frame
- Pre-programmed CC3D flight controller
- Receiver ready

Diagonal Size: 250 mm (9.8 in)
Weight: 300 g (10.6 oz) less battery and FPV

Requires: 5-Channel radio system
