Weight: 1.1 oz (32 g)

Available: August

TACZ1020 Tactic DroneView 1080p HD Wi-Fi Camera \$139.99

Control your camera with the DroneView Mobile app!

The DroneView Mobile App enables you to link your mobile device to the Tactic DroneView Wi-Fi Camera and instantly view a live feed. Record video and shoot still photos in real time. Export the video and pictures directly to your mobile device and easily share with your friends. Adjust important camera features right from the app, such as brightness and contrast. For added versatility, the camera feed can also be seen and controlled by two devices simultaneously.
