

ARRMA VOLTAGE MEGA SRS RTRs

Designed to be fast. Designed to be tough.

Your path to power begins with 2WD GRANITE and FAZON VOLTAGE MEGA SRS RTRs. They arrive ready-to-run out of the box with all the toughness and speed you can handle. Three settings-Rookie, Intermediate and Pro-let you practice your skills at your own pace. Two Lithium-Ion batteries are included, but you can maximize your run time by adding up to four more batteries. With the GRANITE and FAZON VOLTAGE, ARRMA makes it easy for you to double – or even triple – your off-road fun.
