

ARRMA SENTON & GRANITE MEGA 4x4 RTRs

30+
MPH

Rugged. Unstoppable. 100% Hardcore

Fast and fully equipped, SENTON and GRANITE 4x4 MEGA RTRs arrive ready-to-bash in all terrain. A MEGA 12T motor makes it easy to reach maximum speeds. Waterproof electronics make them ready-to-run in any type of weather. dBoots Fortress tires make it possible to conquer any surface. The included Tactic TTX300 transmitter delivers the ultimate in precise control. Just add 4 AA batteries and get bashing. Check them out at arrma-rc.com.

ARAD60** ARRMA GRANITE MEGA 4x4 RTR \$239.99
