

ARRMA 1/8 SENTON 6S BLX 4WD RTR 2018

Short-course supremacy

Big, bold brushless power is what the SENTON 6S BLX has to offer, and it has plenty to go around. The 2050kV brushless motor and BLX185 ESC combo propels you to extreme speeds, especially when you drop in 6S LiPo power. dBoots Sidewinder tires—mounted on multi-spoke wheels—make it easy to conquer your competition on any terrain. Tactic TTX300 control provides you with the muscle to take on the most challenging courses. Check it out at arrma-rc.com.

ARAD83LG 1/8 SENTON 6S BLX 4WD RTR Green/Black \$519.99

Specifications

Length: 21.7 in (550 mm)

Width: 11.6 in (295 mm)

Height: 7.7 in (195 mm)

Weight: 128 oz (3.6 kg)
