

## ARRMA Fans Choose Orange for the New OUTCAST

Hobbico looked to Facebook to crowd source a new color scheme for the ARRMA OUTCAST. Over 800 fans cast votes between the three color options, with the most passionate and numerous responses coming for orange.

Hobbico listens to what our consumers say. We care. The OUTCAST has always come equipped with the epic brushless motor, waterproof ESC, monster tires, and wheelie bar that the baddest bashers demand. Now we're loading it with a sweet orange scheme so it stuns when you're pulling stunts. Our bashers want it, our bashers get it, no questions.
