

Duratrax Baja B5 Tires

DTXC5001 Ribz B5 Tire Front (2) \$30.99

A big off-roader requires big performance from its tires, and Duratrax Baja B5 tires deliver. Mount them on HPI Racing's 1/5 scale buggy and you'll enjoy max gripping power and stable handling. Plus, they're tough enough to keep you in the action when the competition is in the pits.

See the complete lineup of Duratrax tires by visiting duratrax.com.

Features

- A custom fit for the 1/5 scale HPI Racing Baja 5B buggy
- Four front tread patterns and five rear tread patterns to choose from, including a Paddle rear tire designed specifically for sand
- All are molded in CS sport compound
- Available unmounted only (foam inserts included)
- Foam inserts are also available separately
- All are sold in pairs, and packaged in re-sealable plastic bags
