

## Duratrax 2.2" Stadium Truck Tires

DTXC5101 Lockup ST 2.2 Black (2) \$19.99

Now owners of 1/16 scale stadium trucks can experience all of the advantages of Duratrax tire technology. These 2.2" versions feature some of their most popular tread patterns, and are terrific hop ups for Traxxas® and HPI Racing vehicles. They're also ideal as rear tires on 1/10 scale buggies.

See the complete lineup of Duratrax tires by visiting [duratrax.com](http://duratrax.com).

### Features

- All are molded in soft C2 compound
- Choose from five proven tread designs
- Available mounted on 8-spoke black or black-chrome rims, or unmounted with foam inserts included
- Boosts performance for the Traxxas® E-Revo and Summit and HPI Savage XS Flux
- Also a great choice for 1/10 scale buggy rear tires
- All are sold in pairs, and packaged in re-sealable plastic bags
