

Great Planes Ultra Sport™ 46/EP ARF

A classic aerobatic performer

For years the Ultra Sport has been the epitome of what a sport aerobatic airplane should be: quality construction, versatile performance and contemporary style. This 4th iteration of the Ultra Sport incorporates the most up-to-date features, resulting in an Almost-Ready-to-Fly model that sport pilots and veterans alike will enjoy. Find out more by visiting greatplanes.com.

Features

- Flies well with glow OR electric power
- Included mechanical retracts for enhanced performance and style
- Large hatch for easy access to on-board gear and battery
- The symmetrical airfoil offers a wider aerobatic range
