

Great Planes PT-19 Sport Scale .46 GP/EP ARF

Touch history. Touch the sky.

PT-19s turned thousands of raw recruits into combat-ready fighter pilots for WWII. Now, this iconic titan of the air is ready to send you into the clouds, as well. It's not a trainer, but pilots with a little time behind the sticks will love the way it handles in the air. Plus, much of the assembly is already completed for you. Put it in the air and experience the "Cradle of Heroes" today.
